

In October of 2010, Home by Baja thru its commercial division, Baja Custom Interiors Group (BCIG) , participated in “Tijuana Innovadora 2010”

Our company was invited by the Mexican Government (ProMexico) to be part of the “Tractoras” Pavillion

The objective of the event is to show the community, country, and strategic audiences abroad, the processes of innovative technology, education, technological culture, and art that are exported from Tijuana to the world
